

# The Neighborhoods of EYA MEASURABLY DIFFERENT

We've known for years our homeowners enjoy a healthier, happier lifestyle. Now, we have the numbers to prove it.

HERE'S A SAMPLING OF RESULTS FROM OUR THIRD-PARTY RESEARCH CONDUCTED BY LEADING FIRM, RCLCO.<sup>1</sup>

EYA homeowners spend **20 MORE MINUTES** walking per day than the average American. That amounts to **50,000 CALORIES** per year, or **88 BIG MACS**.<sup>2</sup>

Compared to their old commutes, EYA homeowners drive **1,330 MILES** less a year. That's the distance from **DALLAS** to **WASHINGTON, DC**.

**22% OF EYA HOMEOWNERS** report they did, or plan to, eliminate a vehicle from their household. That would save **\$10,000 A YEAR**, enough money for a **10-DAY AFRICAN SAFARI**.<sup>3</sup>

**2X**

EYA homeowners are twice as likely as the average American to commute using **ALTERNATIVE TRANSPORTATION**.<sup>4</sup>

EYA homeowners report saving **\$258 EACH YEAR** on **UTILITY BILLS**. That's enough to buy

**73** STARBUCKS LATTES

73% of EYA homeowners have commutes that are less than 30 minutes, **SAVING 28 HOURS PER YEAR** over the average regional commute.<sup>5</sup> Now that's relaxing.

In an average EYA community, **85% OF CONSTRUCTION WASTE** is recycled, diverting **2,000 TONS** of debris from landfills.<sup>6</sup> That weighs as much as

**88%** of EYA homeowners say moving into an EYA neighborhood positively impacted their lives by bringing everything within walking distance.

 **THE HOME**  
THE LOCATION

**WALK SCORE**   
was a huge priority for us. We really value living in a vibrant neighborhood with many services easily accessible.

Living in this EYA home in this community is **WONDERFUL**. We are close to parks, restaurants, shops, and the new waterfront.

**EYA is the BEST!**
